## EXPERIAN SA APPOINTS NEW MANAGING DIRECTOR

RSS

[What is RSS?](#)**Experian SA appoints new Managing Director**

Michelle Beetar has been appointed Managing Director for Experian South Africa, the leading supplier of credit management solutions, effective 01 December 2011. She succeeds Jim Fick, who will be taking on an executive role at Experian Global.

"Beetar will be responsible for leading the operational management and ensuring that the company strongly extends its sustainable growth in the region," says Fick.

Beetar joined Experian as a director in May 2011 as part of the company's commitment to strengthening the local team and supporting Experian's global strategy for growth.

Prior to joining Experian SA, Beetar was Country Manager for computer software company, Novell. She previously held senior positions at Oracle and MWEB.
